した。 ない まない またい サファンシル そこと 残って Boil chicken on medium heat until well cooked. Remove chicken from pot reserving stock. Shred chicken breast and set aside. You will use this to top the tostadas Sometimes I like to fry the shredded chicken in some chopped onion and minced garlic for more flavor (I also may add more salt and pepper.)

To assemble the tostadas I like to start with a thin layer of refried beans, then I add chicken, lettuce, tomato, cheese and salsa. Tostadas can be a bit messy so do not over fill them as they can become to heavy and fall apart.

As with most Mexican dishes this recipe is served with Spanish rice and beans
